

DRAFT BY-LAW CONCERNING ELECTORAL DISTRICTS OF MONTRÉAL FOR THE 2017 GENERAL ELECTION

Notice is given to electors of Montréal that at its meeting of November 21, 2016, city council amended the draft by-law titled "BY-LAW CONCERNING ELECTORAL DISTRICTS" that was presented as a notice of motion at the city council meeting of October 24, 2016.

1. Object of draft by-law

Following the renewal of sections 4 to 13 of order in council 645-2005 of June 23, 2005 by section 149 of the Act to amend various municipal related legislative provisions concerning such matters as political financing (2016, chapter 17) and the amendments made to the order in council by sections 24 and 25 of the Act to amend various legislative provisions concerning Montréal (2008, chapter 19), the territory of Montréal, including its 19 boroughs, remains divided into 58 electoral districts for the purposes of the general election of November 5, 2017, and for any other general election or by-election.

The object of the draft by-law is to ensure that each electoral district of each borough is delimited in accordance with the criteria in the Act respecting elections and referendums in municipalities (CQLR, chapter E-2.2). The criteria serve to maintain a balance as to the number of electors in each electoral district and as to their socio-economic homogeneity.
